

AIW IS NOW PART OF OUR DNA.

More choices, with the industry's best service.
Now that's a winning combination.

Two of the most respected brand names in the wire and cable industry are now one offering—Southwire AIW™ Cord Brand products—giving you access to the broadest line of wire, cable and cord products in North America. AIW Cord Brand products include American Mustang® premium rubber cord, Viper® rubber cord and Quantum TPE® cord products. Southwire now provides solutions for all your copper and aluminum building wire, MC cable and cord needs in commercial and industrial applications. What does that mean for you? More choices, more complete orders and faster delivery to your job site. To learn more, visit www.southwire.com or contact your local Southwire representative.
