

MORE IS BETTER FOR YOU.

More product choices, services and convenience.

Now that AIW™ Cord Brand products are part of Southwire, you get more of the things you need to keep jobs running smoothly—more wire, more cable and more cord choices. And because we're keeping the AIW product line intact, you can count on Southwire to support all your current job specs, as well as those in the future. What more could you want from an industry leader? To learn how we can meet your needs for cord products and much, much more, including copper and aluminum building wire, feeder and circuit-sized MC cable, MC^{AP}® and HCF MC^{AP}® cable, Flex and Liquidtight, Romex® NM cable and industrial power cables, visit southwire.com, or contact your Southwire representative.
